

# Question words

We ask **questions** when we want to find out things. Write these words that ask **questions**. Which is the odd one out? Say why.

who            what            why            when            where            how

Write a **question** word and add a **question mark** to complete each sentence.

This page focuses on the use of question words and question marks. Help your child to select the odd question word (*how*: the only question word that does not begin with *wh-*) and to read and complete each sentence.
