

Match the letters

Draw lines connecting each balloon to the child wearing the shirt with the matching letter.

These activities introduce letters, helping your child start to recognize their different shapes. Encourage your child to draw lines matching the letters on the balloons to those on the children. He or she can enjoy coloring the pictures, too. If your child recognizes the shapes as letters, then name them, as your child will later need to learn both the name and the sound of each letter of the alphabet.
