

# Conjunctions

Conjunctions are words that join sentences. Choose one conjunction from the list below to join each pair of sentences. Use a different conjunction each time.

if   so   while   although   because   when   since   but   and   then

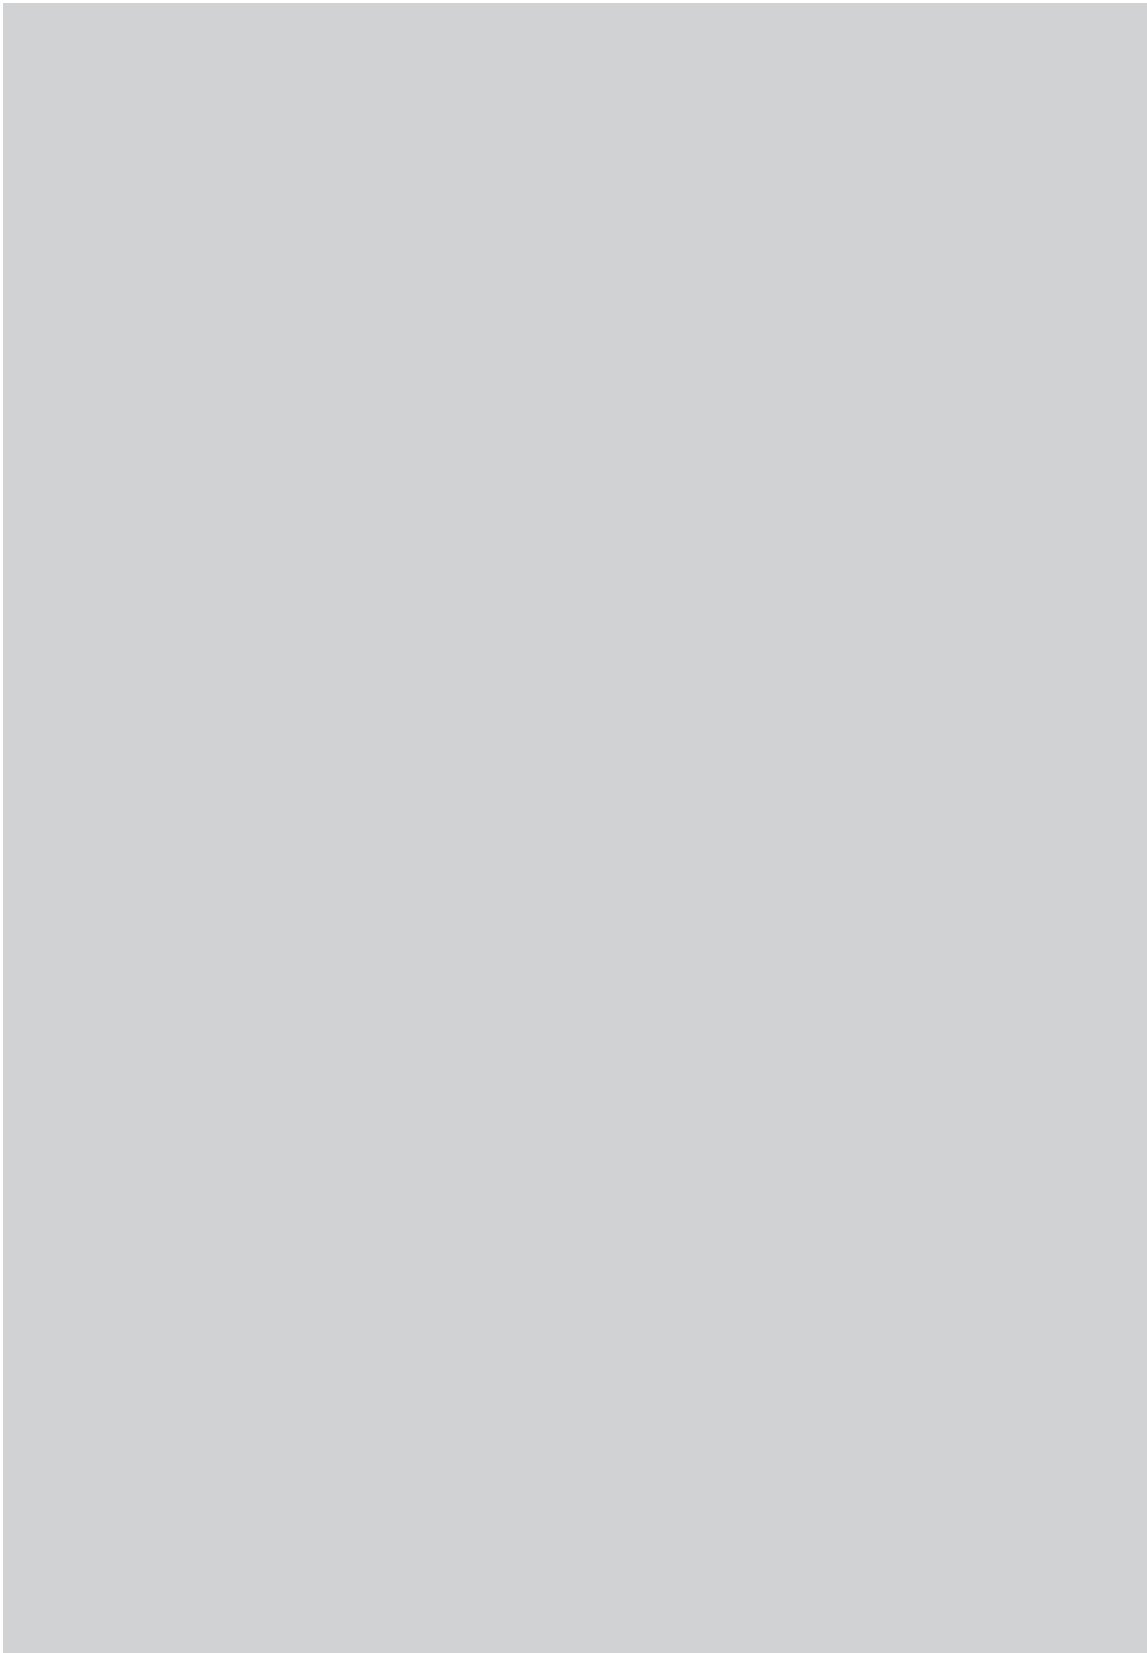

She was going out to play. It rained.

He went to the cinema. He saw an adventure film.

We decided to go to the beach. The sun shone.

My friend came round. We were able to play together.

You came to visit me. I was ill.

This page focuses on conjunctions and their functions. Encourage your child to
