

# Protest letter

Read this **letter** from the *Letters to the Editor* section of a local **newspaper**, then answer, in **complete sentences**, the following questions.

Sir,

I wish to protest, on behalf of the B.B.G. (Ban the Bypass Group), about the proposed building of a road through Birnam Wood, which was reported in last Friday's *Dunsinane Express*.

The loss to the public of this local beauty spot and the damage to the wildlife that depends upon it would be huge.

The wood has been allowed to grow and flourish, largely undisturbed by man, for almost one thousand years.

Surely we, as local guardians of the environment, cannot allow the road builders to destroy this priceless piece of our natural history?

The questions on this page help your child to assess and debate an argument. Discuss both sides of the argument with your child, and help him or her to decide whether or not the protest will be successful.

A large empty rectangular box with a thin black border and a small square tab in the top-left corner, intended for writing notes.

On this page, your child prepares notes that will help him or her present a persuasive argument. The notes should be brief and need not be in complete sentences. Once your child has written the notes, discuss his or her opinions.
