Medial sounds i and o

Find the word that does not rhyme, and write it to complete the sentence below.

mat win pat fat cat

Lin wants to _____ the race.

Read out loud the words with **o** in the middle. Write them on Pol's box.

This page focuses on the *medial* (middle) sounds *i* and *o*. Your child should say the vowel sounds out loud, then combine them with first and last consonant sounds in CVC words. Saying words out loud will help your child identify difficult sounds.
