

Compound words

Some words are made up of two other words. When two short words make one long word, the long word is called a **compound word**.

Write the two words without a space between them to make one **compound word**, like this: **head + rest = headrest**.

lamp + post = lamppost 

her + self = 

milk + man = 

hand + bag =

foot + stool =

Draw lines to join up these **compound words**.

- | | | | |
|------|------|--------|--------|
| foot | card | play | bag |
| him | cake | school | man |
| post | ball | post | spoon |
| pan | self | tea | ground |

Now write a list of the **compound words** that you joined above.
